Director's Column

ALL CMTABATE INC. MEMBERS; I would like to thank all of our dedicated members for standing so strong in these rough times. With everyone talking about COVID-19, it makes it hard for people to stay at home, social distance and having to wear a mask. It's great to see how innovative our members are with knowing that they will persevere despite the tasks that are upon us. Over the past 30 years, CMT/ABATE Inc have done some wonderful things with legislation to make a better riding experience in the State of Tennessee. With that being said, now is the time to concentrate on the next 30 years to make it even a better experience for all riders. Working with our legislators now is more important than anything if we wish to change for the future of riding. All of us riders need to band together to make these changes remember, "United we Ride - Divided we Drive". Many new things are starting to happen; one of the things we're working on now is trying to make the Corporation more noticeable through a grant that we received from the Department of Safety and Homeland Security. This grant is allowing us to be able to put up 4' X 8' signs on businesses throughout the State. These

signs are the "LOOK TWICE SAVE A LIFE" and "DON'T RIDE FRIED". As of right now, we're not sure where we stand with the grants. They have changed the policies and haven't released any information on it yet so this may be the last year that grants will be able to be received, so we need to make the most of them. Another good sign is new members are signing up! Since social distancing stands in the way to most people, it doesn't stand too much of a chance with us riders. As in most cases you can't ride closer than six feet anyway. And it still allows us to have events and continue as we are and like we normally did. In most cases we just have to change our destinations and our stops. Making more in a public area like parks or convenience stores, well at least you can stop, take a break, go to the bathroom, get a drink, whatever you need. I received comments about our June BOD, where we had it outside at the Roost and after the BOD meeting everybody sat there and ate a meal together which was really enjoyable to see. It was like one big family sitting there enjoying their conversations between each other. We had several guests there at the time which they were more than welcome to watch the process and they are more welcome to watch it again if they'd like. I'm looking forward to

the motorcycle rodeos to start up. I really enjoy them and I miss them so far this year and I'm sure a lot of other people do also. If you're not a member or you need to renew check out our website at www.cmtabate.com and go to the online store and you will see membership down at the bottom as you scroll down. We also have some new corporate T shirts that have come in but I'm sorry the only size we have right now is 2 XL and boy are they comfortable I have one myself. It isn't like those old heavy black T-shirts or the ones that everybody always wants to get, the real heavy ones; these actually feel like you don't have a T shirt on. So come on everyone, let's make 2020 kick butt! I enjoy seeing you all there.

Asst. Director's Column

To all CMT/ABATE members
Hope all are safe and well; it has been a few months.
I apologize for not submitting anything these past few months but honestly there has not been much going on.
Last month we held the Don't Ride Fried Carnival at the Spring Thaw Redneck Rumble. It was a large event that covered most of the Wilson County Fairgrounds. We had about 10 volunteers show up and I wish to thank all that showed up and worked. I believe there were 4 charters represented. We had a lot of people go thru the paces of the Carnival and we had a lot of positive feed back especially from the younger people who were just starting to drive or will be soon hopefully we made a lasting impact. In the future I encourage you to take part in these events whenever possible; it is part of our job as CMT/ABATE members as well as a lot of fun. We have way too many people sitting back and letting a chosen few do the work. We need full participation to

grow our organization. That is about all for now.

Comptroller Justin P. Wilson and Deputy Comptroller Jason Mumpower are proud to call the members of CMT/ABATE our friends. While neither of us rides a Harley, we were privileged to take this recent photo with one of the Tennessee Highway Patrol's newest motorcycles. The two of us frequently interact with members of the THP while working from our offices in the State Capitol. We'd like to thank CMT/ABATE for its efforts to promote freedom, safety, and awareness.

MRF State Rep Report –

*"Do you want to know who you are?
Don't ask. Act! Action will delineate and
define you."*

- Thomas Jefferson"

Action is heating up in the nation's capital...and it's not just an August heat wave!

Last month I reported that the highway funding bill had passed through the US House of Representatives, and that the next step would be for the US Senate to take up that legislation. Well that is happening. The Senate Committee on Commerce, Science and Transportation is currently drafting the Senate version of the highway bill, and our very own Senator Marsha Blackburn sits on that committee.

Both Danny Youngs and I participated in a phone conference call that the MRF set up with Senator Blackburn's staff to review the specific provisions that we would like to see included in this bill. They appeared to be receptive to our position, but a little encouragement from our members may reinforce how important this is to us.

We need YOU to join us in contacting Senator Blackburn and asking for her support of these provisions. The easiest way is to use the pre-made e-mail on the legislative action center web-page at www.mrf.org.

The actions you take define your true commitment to motorcyclists' rights, far more than the words you speak. Are you ready to take action to protect motorcycling? Take the time NOW to send a letter to Senator Blackburn. Let's all work together today to help ensure that tomorrow we can...

Missouri Governor Signs HB1963T - Including Helmet Repeal

This afternoon, Missouri Governor Mike Parson signed legislation that would modify the current helmet law in the "Show Me State." The new law, which will go into effect August 28, 2020, allows motorcyclists to ride without helmets if they are 26 years of age or older and have medical insurance.

Freedom of Road Riders Legislative Coordinator Amy Allmon said "Persistence actually pays off, on Tuesday July 14th at 1:30pm Missouri Governor Mike Parson signed our helmet modification bill. Freedom of choice in Missouri". When asked for a reaction, MRF Chairman of the board, Kirk "Hardtail" Willard had this to say, "The Motorcycle Riders Foundation celebrates today with the bikers of Missouri on their victory of freedom of choice. It's incredible to realize the State Motorcyclist Rights Organizations have spent nearly four decades pursuing their freedom. Given today's political environment this is truly rarified air. Ride free Missouri."

Congratulations to the Freedom of Road Riders, ABATE for Missouri and all those who never quit in the fight to let those who ride, decide!
